1.0 Introduction

This user manual has been designed to provide information on how employers can use NSDC JobX for:

1. International Employer Onboarding
2. Login
3. Manage Jobs
4. Manage Applications
5. Update Profile

Please go through the manual thoroughly to avoid any issues.
2.0 Mauritius Employer Onboarding
Short Description: This process flow is aimed at international employers.

Context: This feature will help international employers to register on the NSDC JobX platform.

2.1 Registration
Step 1: Please visit URL www.nsdcjobx.com.

Step 2: On the top hand right corner of the screen there is Login section click on Employer button as highlighted in the image below.

Step 3: Click on New to NSDC JobX? Register Here button as highlighted below.
**Step 4:** In the next screen fill in all the **required details** starting from choosing your country as Mauritius in the form and click on the **Submit** button at the end of the form.

![Form Image]

**Note:**
- Please mention the district where your company is registered.
- Upload your company logo for better visibility.
- Uploading **Business Registration Card** and **Certificate of Incorporation** are mandatory.
- The phone number should be within 7 to 8 characters.

**Step 5:** Once you click on **Submit**, you will receive an OTP on the email id entered by you in the registration form. Enter the **OTP** and click on **Verify and Submit** to verify your email address.
Please Note: If you do not receive the OTP, wait for few minutes before clicking on Resend OTP.

Step 7: Enter your job demands in this screen according to the sector and enter the no. of vacancies for each sector.

Please Note: You can enter job demands for up to 5 sectors.
3.0 Login

Step 1: After successful registration, go to Login Page and enter all the required details and click on Login button.

Step 2: Once you click on Login, on the landing page you will see these options in the top menu.

3.1 Forgot Password

Short Description: This feature would be used if the registered employer has forgotten their password.

Context: In case the employer has forgotten their password they can reset their password using this feature.

Step 1: If you are unable to login through the login credentials or you have forgotten the password then click on Forgot Password as highlighted in the image below.
Step 2: This will take you to the following screen.

![Forgot Password](image)

Step 3: Enter your **Registered Email Id** in the respective field and click on **Submit**.

Step 4: The new password would be sent on the registered email id which can be used to login.

**Note:** You can change your password after logging into your account if required.
4.0  Manage Jobs

4.1  Post A Job

**Step 1:** Under Manage Jobs click on Post A Job.

**Step 2:** Fill in all the required details and click on Submit Job button.

**Note:** Once a job is submitted you will have to wait for the admin’s approval for the job to be published/active.
4.2 **Active Jobs**  
**Step 1:** To check the list of active jobs on your profile click on the **Active Jobs** Button under **Manage Jobs**.

![Active Jobs screenshot](image1)

**Step 2:** To edit a job click on the **Edit Job** button and make the edits before clicking on the **Submit** button.

**Step 3:** If you wish to deactivate a particular job posting just click on the **Click to Inactive** button.

4.3 **Inactive Jobs**  
**Step 1:** Click on **Inactive Jobs** as highlighted in the image below.

![Inactive Jobs screenshot](image2)

**Step 2:** Edit the Job if required by clicking on the **Edit Job** button.

**Step 3:** If you wish to reactivate the job click on the **Click to Refresh** button.
4.4 Add Company Details

Short Description: This feature is used to add any new clients.

Context: If the recruiters need to add new clients or companies to their portfolio then they would need to use this feature.

Step 1: Under Manage Profile click on Manage Company and then click on Add Client as highlighted in the image below.

Step 2: After adding client details employer needs to follow a mobile number verification as shown in the image below.

Note: Employer will not be able to post job on behalf of client without mobile number verification.

Step 3: To edit the client/company details click on the Edit Company button.
5.0 Manage Applications

**Short Description:** This feature allows you to manage all the received candidate applications.

**Context:** This feature can be used to manage all the applications received for all the jobs posted on the portal.

5.1 All Applications Received

**Step 1:** Click on **Manage Response** and click on **All Applications Received** button to go to the following screen.

![All Applications Received](image)

**Step 2:** Click on the **View Profile** button to check the profile of applicants.

**Step 3:** Click on **Download Resume** to download the resumes of the applicants.

**Step 4:** You will be taken to the **Candidate Profile** screen as shown in the image below.

![Candidate Profile](image)

**Step 5:** After checking the complete profile you can click on **Download Resume** to download the candidates’ resume.
5.2  **Response List**  
**Step 1:** Click on **Response List** under **Manage Response**.

**Step 2:** You can use the filters highlighted in blue in the above image to filter out the exact job responses.

5.3  **Shortlisting**  
**Step 1:** Once you login into your employer account’s dashboard as shown below.

**Step 2:** Click on **View Applications** button to see the full list of applicants.

**Step 3:** On the Response List screen, click on the respective **View Profile** button to see the profile of any candidate as highlighted in the image below.
Step 4: In the profile details screen, you can see all the details of the candidate.

![Profile Details Screen]

Step 5: To Download the resume click on the Download Resume button.

Step 6: To check the resume without downloading click on the maximize button as highlighted in the image below.

Step 7: Once you have checked the candidate’s profile thoroughly, you can mark them as shortlisted by clicking on Select Status dropdown, selecting Shortlist and then clicking on Submit Details button.

![Select Status Dropdown]

5.4 Scheduling Interviews

Step 1: Click on Manage Response dropdown from the header menu and click on Schedule Interview as highlighted in the image below.

![Manage Response Dropdown]
Step 2: In this screen search for the particular job opportunity by selecting it on the Job List dropdown and in the Response List filter select Shortlist to see the shortlisted candidates.

Step 3: Once you have finalized the candidate, scroll right, and click on the Schedule Interview button.

Step 4: This form will come up for scheduling interviews.
Step 5: There are two options for interview mode as **Online** and **In Person**.

**Step 6:** If you select Online, you will have to fill an interview link in the Interview Link field as highlighted in the image below.

![Interview Mode and Link](image)

**Step 7:** If you select In Person, mention interview Venue Address.

![Interview Mode and Address](image)

**Step 8:** Once you have finished filling out the form, click on Send Interview Details and a mail will be sent to the candidate.

### 5.5 Interview Status

**Step 1:** Click on **Manage Response** dropdown from the header menu and click on **Update Interview Status** as highlighted in the image below.

![Interview Status](image)

**Step 2:** This will take you to the Candidate list who have been interviewed.
Step 3: Click on **Update Interview** button as highlighted in the image above.

5.5.1 **Candidate Selected**
Step 1: Click on the Select Status drop-down and click on Selected and click on Update.

![Update Interview Details](image)

**Note:** The Reason will automatically be set to selected.

5.5.2 **Candidate On-Hold**
Step 1: Click on the Select Status drop-down and click on On-Hold.

![Update Interview Details](image)

Step 2: Select the most appropriate reason and click on Update.

**Note:** If you don’t find the appropriate reason in the list then select Others and click on Update.

5.5.3 **Candidate Not Selected**
Step 1: Click on the Select Status drop-down and click on Not Selected.

![Update Interview Details](image)

Step 2: Select the most appropriate reason and click on Update.

**Note:** If you don’t find the appropriate reason in the list then select Others and click on Update.
6.0 Update Profile

Short Description: This feature helps you manage the employer’s profile.

Context: Use this feature to manage your employer profile on NSDC JobX.

Step 1: Click on My Profile in the top menu and click on Update Profile to make the required changes.

Step 2: Make all the changes required and click on Update Profile.

Step 3: If your Job demands change and need to be updated, then click on Demand Aggregation as highlighted in the image below.
Step 4: Make the required changes and click on **Submit**.

Step 3: To change your password click on the **Change Password** button.

Step 4: Enter the required password and click on **Change Password**.
